Hi Jennifer (and David and Bruce),

I've prepared a package of the IRIS nominations (attached) to send to GAO. This is to be responsive to Jennifer's commitment to provide this information as soon as possible, and comes on the heels of the formal transmittal of the response to the statement of facts. Jennifer, please take a look at this to make sure you're comfortable with the materials and language below. Any other comments are also welcome.

I'd also propose OPARM include the following language when transmitting the materials to GAO (since this is a formal transmittal, not just a response directly from Jennifer):

Dear [GAO],

Deliberative Process / Ex. 5

Sincerely
[OPARM sends]

Let me know your thoughts. Thanks!

-Lou
